14th Years Anniversary – Mercure Pattaya Hotel

On Friday 5th July 2019, Mercure Pattaya Hotel celebrated the 14th years anniversary led by Mr. Wong Swee Huat (Owner) with Mr. Khata Sinhaseni (Cluster General Manager) and also the management team and staff of the hotel.

We started by praying for the Spirit house at 9.09 hrs. We chose this time in particular as it is believed to be lucky and paves way for good things to happen in business, health, and safety. Once the prayers were done, the monks had their ceremony at 10.30 hrs. at Aqua Pool Bar & Club, where they blessed all the hotel staff.

After the ceremonies, all the staff was treated to a special lunch organized by the owners. We also cut the anniversary cake, all staff were happy and enjoyed this auspicious day.
