

A Bright White New Year's Eve at Dee Lounge and Beer Garden Novotel Ploenchit

You've heard of White Christmas. For New Year's Eve, Dee Lounge and Beer Garden presents a colour-themed countdown party - White Night - to brighten the occasion even more.

This is one time when it may be advisable to wear sunglasses after dark. Presenting 'White Night' countdown party at Dee Lounge & Beer Garden, when everything will be in white, including decorations, lighting, staff and guests too.

Those white-clad guests will have many ways to ring in 2017. The event will feature live DJ along with house band CH3 performing a set of highly danceable tunes on the beer garden stage. All the while, revellers can enjoy special white-themed cocktails: white cosmopolitan, white sangria by glass or carafe, and mojito by glass in either regular or extra-large size.

Throughout the evening a large digital clock will be counting down to midnight and a rousing toast when 2017 arrives.
