

A Romantic Choice at Dusit Thani Krabi Beach Resort!

14th February, Valentine's Day, is celebrated by romantics throughout the world, and Dusit Thani Krabi Beach Resort is certainly no exception. In fact, we love the occasion so much that our two acclaimed restaurants, Malati and Limoncello, are both offering beautiful set menus in superb surrounds for the perfect romantic dinner for two. Accompanying each meal is a glass of champagne for each person, and a traditional red rose.

At Limoncello, guests can enjoy a delicious 5 course Western dinner, featuring fresh oysters, pan-fried goose liver, rack of lamb, grilled tiger prawns and orange & chocolate mousse. Live entertainment is provided by our house band "Du-O", with a selection of mellow Western music.

Alternatively, couples can choose the Romantic Set Dinner at Malati, where they will be presented with a wonderful selection of traditional Thai favorites, and be serenaded with harmonic Thai music by our house band.

For the ultimate in romance, why not really indulge your loved one with a personal, private table for two either on our sculptured lawns or golden beach, with gentle sea breezes to cool and star-spangled skies to admire. Choose either menu, which ever appeals, then relax together with your glass of champagne and your loved one.

Table reservations can be made from 6:00 p.m. - 10:30 p.m. and for both set dinners the price is THB 3,500 nett per couple. The intimate "al fresco" arrangement on beach or lawn is THB 14,500 nett per couple, and requires booking one day in advance.

Early reservation is recommended to avoid disappointment; please contact us at: dtkr@dusit.com or call +66 7562 8000.
