

# Agoda.com celebrates National Day with luxury stays from SG210

**SINGAPORE (July 25, 2012)** - Agoda.com, Asia's leading hotel booking site and part of Nasdaq-listed Priceline Group (Nasdaq: PCLN), today announced fantastic hotel specials in honour of National Day.

National Day gives Singaporeans the chance not only to celebrate the sovereignty and success of this great city-state, but to take a well-earned break. While the National Day Parade is an obvious highlight for many, Singaporeans wanting something even more memorable can book an urban staycation and enjoy some valuable downtime with family or that special someone.

This year, the National Day Parade takes place at The Float@Marina Bay. The theme is "Loving Singapore, Our Home", and the program of events will, as always, include the thrilling NDP flyover, choir performances, dazzling multimedia displays and - the highlight of the parade - a spectacular fireworks display.

Those attending the parade can end a fun-filled day with a luxurious stay in one of Marina Bay area's top hotels. Guests with water views from their hotel can even enjoy the fireworks without having to leave their room - perfect for those preferring to stay out of the crowds.

Singaporeans looking to fill their free time with shopping, can spend a few nights in five-star property along Orchard Road, and sun-seekers can enjoy a beach stay on Sentosa Island, with myriad dining, leisure and entertainment options at the door.

To make the most of National Day this year, book a special Singaporean stay with one of the following celebratory rates from Agoda.com.
