

Amari Pattaya - 44 Years of Success

On Friday, 9 September 2016, the management team and team members of Amari Pattaya led by Robert Rijnders, Senior Vice President of ONYX Hospitality Group and Area General Manager of Pattaya (5th from left), celebrated 44 years of success with a merit-making ceremony. The auspicious day was begun by paying homage to the Four-Faced Buddha, and by a ceremony conducted by nine monks from Nhong Yai Temple to pray for all team members and for good luck for the rest of the year. This year, our Thai and international guests participated together with us in our 44th anniversary celebrations.
