AVANI to Debut in Europe with Launch of AVANI Avenida Liberdade Lisbon Hotel in Portugal

Bangkok, 1 February 2017: AVANI Hotels & Resorts will debut in Europe with the opening of AVANI Avenida Liberdade Lisbon Hotel in the Portuguese capital. The 119-key hotel will launch on 1 April 2017, following the completion of a EUR 1.5 million refurbishment.

This newest addition to the AVANI portfolio will respond to the needs and aspirations of millennial-minded travellers, both in its product delivery and its design elements.

The property, formerly Tivoli Jardim Lisboa Hotel, is currently undergoing an extensive refurbishment. The scope of work includes the redesign of the façade, the guestrooms, lobby, reception and the installation of an AVANIFIT gym. The open plan lobby merges the reception, lounge, meeting and chill areas together.

All guest rooms will have balconies, with AVANI Premier Rooms enjoying views over Avenida da Liberdade, whereas AVANI Deluxe rooms, located on the highest floors, will have sweeping views over the city. AVANI Family Rooms will offer king-sized beds and a double sofa-bed, making them the perfect choice for families.

Breakfast, lunch and dinner will be served at Olivier Avenida Restaurant featuring Chef Olivier da Costa's Mediterranean inspired cuisine.

The new AVANIFIT gym will feature the latest cardio equipment allowing guests to continue their normal workout routines while travelling.

For AVANI business guests, the neighbouring Palacete Conference and Events Centre offers three floors of event space with capacity for up to 260 people. The ground floor has a large reception area, the first floor offers three function rooms with varied configuration capabilities along with an outdoor terrace, and the top floor houses an exclusive Boardroom with its own foyer and elevator access.

Located in the city centre, only 15 minutes' drive from Lisbon International Airport, AVANI is within easy walking distance of the underground station, Rossio Train Station and Tram 28. The hotel is ideally situated just off the iconic Avenida da Liberdade, with its luxury boutiques, street cafés and esplanades and is only a few minutes' walk from the charming neighbourhoods of Bairro Alto, Príncipe Real and Chiado.

Alejandro Bernabe, Group Director AVANI Hotels & Resorts, said, "We are thrilled to launch our upscale AVANI brand in Europe with the launch of AVANI Avenida Liberdade Lisbon Hotel. Lisbon is a dynamic European city and a 'hot' destination right now, appealing to millennial-minded travellers. AVANI hotels are specifically designed with this new breed of traveller in mind - people who aren't
