

Bangkok Business Connections (BBC) On April 27th, 2017 The Best Networking Luncheon in Town!

Bangkok Now aka BNOW is hosting a networking luncheon on Thursday, April 27th, 2017 from 11.30am to 2:00pm at Volve Hotel (<http://www.volvehotel.com>), Sukhumvit Soi 53, BTS Thong Lor.

The BBC is different because it is a proactive way to network with other businesses. Instead of the usual one to one networking style in a social setting or speed-networking, the format is one to group. BBC is appropriate for business owners, sales and marketing professionals. The meeting is 2 hours and conducted during lunch time and includes a meal.

Our feature speakers include:

1. Shalini Joshi Yamdagni of MagicalPainFreeLiving.com: 3 Secrets to Being Pain Free Naturally
2. Elodie Badoual of BrandNow.Asia: The Power of PR for your Brand
3. Sompong Dechsiriudom and Nonchaya Termteerapornpimol from KKday Thailand: Future Trends In Tourism

The meeting is open to the public. The fee is 650 baht for BNOW, BNI, or FCCT members (please show your card at registration table), 750 baht for pre-register, and 800 baht (walk-in) for non-members including lunch (3 choices and water). E-mail info@bnow.org for details.
