

Bigger & Better Weekday International Buffet Lunch @ Streats Café

The best buffet lunch in Bangkok's old town just got better! Streats Café is proud to present its latest weekday international buffet lunch spread. Get ready to enjoy even more of the beloved and authentic Thai dishes passed down from the Viengtai recipe books, with an expanded local specialties section. A must-try is the hard to find delicacy of kanom beung yu-an, a delicate and crispy savoury pancake made fresh for each order. Relish daily specials of different spicy Thai salads, Thai-style noodle soups and kanom jeen noodles with curries. Or, go international with a selection of tempting tapas, a cold-cuts and cheese section as well as a healthy salad corner. Dig into hearty European-style fare, with dishes such as pork loin in gravy, pan-fried fish and a pasta corner. The dessert section has also expanded, with traditional Thai desserts available alongside seasonal fruit, homemade cakes and tarts and one daily warm dessert like bread & butter pudding, apple crumble or chocolate lava cake. Of course, free flow soft drinks, drinking water and hot coffee and tea make lunch an even more pleasant experience. Feel at home at Streats Café's chic living-room style interior, whether it's a quick lunch alone or a fun meal with friends, family or colleagues.
