

Bring on the chill! Red Sky opens its outdoor terrace from 11.30 every day

Have you felt it yet? When you step outside in the morning and, instead of being met by the city's regular punch of 85% humidity and scorching hot sun... you actually feel a little bit chilly? Or that light breeze in the air that forces you to go rummaging around your closet for that old, forgotten sweater?

Well, that's what many people like to call 'winter' in Bangkok!

With this in mind, Red Sky is opening its outside terrace for daytime eating and drinking from 11.30 hrs. till 01.00 hrs. every day from Now - 30 December 2018.

That means you can now enjoy the rooftop bar and restaurant's incredible views together with our critically-acclaimed international fine-dining menu from as early as 11.30am every day.

So, who said rooftop bars in Bangkok were only for evenings?

Red Sky will be running its full a la carte menu throughout the day - with the option to either sit outdoors while admiring the view from 55 floors up, or dine inside the venue's indoor dining room. Some of our most popular dishes are; Lobster Salad, North Atlantic Salmon Tartare, Lobster Bisque Soup, French Frog Legs "Meunière", Seafood on ice, Atlantic Turbot, Verrigni Spaghetti with Nova Scotia Lobster, The Red Sky Surf & Turf Tower, Rack of Lamb, U.S. Grain Fed Beef Tenderloin "Rossini" and much more!

Red Sky restaurant is located on the 55th floor of Centara Grand at CentralWorld. For more information and to make reservations, please call 02-100-6255 or email us at diningcgcw@chr.co.th.
