

Celebrate Valentine's Day Your Way @ Streets Bangkok

When it comes to matters of the heart, are you sweet as sugar or saucy as sin? They say it's time to pick a side during this month of love! Why not indulge in both? Come to give love a chance at Streets Bangkok- we won't tell...

Streets Bar & Bistro: Bottoms up for the three drinks in the spotlight! There's one for every taste.

- Single Casanovas on the prowl should go for the Energy Long Island (THB 280) to keep their spirits up during a night in town. A heady mix of Gordon's gin, Pampero blanco rum, Smirnoff vodka, Cointreau, Tres Magueyes tequila and red bull will keep you buzz-ing.
- The perfect drink for all the single ladies has to be the Berries Mojito (THB 220). Stay sassy and bright just as you want to be with Pampero blanco rum, fresh strawberry, lime and mint leaves and a dash of brown sugar and soda.
- Already coupled up and looking for a drink to share? The Elderflower Orgasm (THB 470) in bucket size is the most fun you can have out in public! Kahlua, Baileys, Amaret-to, Angostura bitters and fragrant elderflower syrup make this a pleasure to savour.

Streets Bakery: Say it with sweets! Purchase specially decorated macarons available in 3 flavours and starting from THB 30/piece, or go for the tempting cakes like blueberry cheese-cake or chocolate cake priced at only THB 105/piece.
