

Centara Hotels & Resorts in Krabi joined forces to donate financial supports and host lunch for students at Krabi's Special Education Centre Under the "Centara Care" initiatives

Management executives and staff members of three Centara resorts located in Thailand's Southern Province of Krabi, led by Darren Shaw, General Manager of Centara Grand Beach Resort & Villas Krabi; George Kenton, General Manager of Centara Anda Dhevi Resort & Spa Krabi, as well as Chalermrat Khumsawad, General Manager of Centara by Centara Phu Pano Resort Krabi, joined together to offer financial support and necessities for Krabi's Special Education Centre. On this occasion, executives and employees of Centara resorts in Krabi also hosted lunch and organised leisure activities for both student body and teachers of the centre. The donation was part of the "Centara Care" initiatives by Centara Hotels & Resorts with an aim to forge bonding and good relationship between the resorts and the communities in the area of Centara's business locations. The financial donation was received by Nongluck Kulpipat, Director of Special Education Centre, Krabi province.
