

Chatrium Hotels & Residences Donates Handmade Dolls To Baan Nokkamin Foundation

A team from Chatrium Hotels & Residences, led by Pariyarat Chunlakittiphan (3rd left), Corporate Director of Human Resources, held a charity event at Baan Nokkamin Foundation in Bangkok as part of the group's dedication to Corporate Social Responsibility (CSR).

Chatrium Hotels & Residences donated to the orphans dolls that were created by the management teams of all Chatrium properties from pakomah, a multi-purpose cloth used especially by males in the northeast of Thailand as headgear, scarf, loincloth, sarong or towel.

As a Thai business entity, Chatrium Hotels & Residences is both proud and delighted to give something back to the community we all share through these CSR events and our "Think First, Think Earth" sustainability programs. We look forward to the group's next CSR project to assist people less fortunate than ourselves.
