

Chatrium Royal Lake Yangon Wins Hotels.com Loved By Guests Award 2018/19

Chatrium Hotels & Residences is extremely proud to announce that Chatrium Royal Lake Yangon has received the prestigious 'Loved by Guests' Award 2018/19 from Hotels.com.

Hotels.com is one of the largest hotel booking platforms in the world and has 85 websites in 34 different languages, and lists over 325,000 hotels in 19,000 locations. Their awards are based on authentic verified guest reviews and are only granted to the very best hotels around the globe which continually deliver exceptional levels of guest service. This year, more than 2,700 top-quality hotels from 94 countries were chosen as the most exceptional in the world, based on over 20 million genuine reviews submitted by guests.

Commenting on achieving the awards, Ms. May Myat Mon Win, the General Manager of Chatrium Hotel Royal Lake Yangon, said, "Chatrium would like to thank its marvelous valued guests for taking the time rate our hotels and for sharing your wonderful experiences on Hotels.com. Winning top awards such as this only motivates us to develop the service we offer to new levels, and to further strengthen and reinforce our reputation and success."

Chatrium Hotel Royal Lake Yangon offers guests extraordinary lakeside comfort in its peaceful location next to the famous Shwedagon Pagoda. As one of Myanmar's best hotels for pure refined luxury and contemporary comfort, every guestroom has stunning and spectacular views and it provides the perfect base for exploring Yangon's beautiful surroundings.

We welcome you to come see the Chatrium difference for yourself, and to discover what so many verified reviewers have found to be enchanting and captivating about our service and facilities.
