

Come rain or shine, head up to Red Sky for lunch or dinner this rainy season

This time of year in Bangkok is often described as “hot and wet” - meaning many rooftop bars are off-limits. However, with Red Sky’s multiple dining and bar zones, you won’t be disappointed come rain or shine!

Feeling the heat? Then head out onto our alfresco dining deck where you can enjoy a pleasant breeze from 55 floors at Red Sky restaurant. Tables are available in the shade for lunch (11.30 - 14.30 hrs.) and dinner 16.00 - 01:00 hrs.) services. Every day from Now - 31 July 2019.

And for those impromptu downpours? Simply escape indoors and find a table inside Red Sky’s air-conditioned dining room - which still boasts those stunning high-rise views across Bangkok.

Available until the end of the month, Red Sky’s fine-dining menu and a la carte selections (courtesy of Chef Christian Ham and his team) will be available from 11.30am each day - making this a great spot in Central Bangkok for a luxurious business lunch or memorable rooftop dinner.

Red Sky’s most popular lunchtime dishes include: Lobster Salad, North Atlantic Salmon Tartare, Lobster Bisque Soup, French Frog Legs “Meunière”, Seafood on ice, Atlantic Turbot, Verrigni Spaghetti with Nova Scotia Lobster, The Red Sky Surf & Turf Tower, Rack of Lamb, U.S. Grain Fed Beef Tenderloin “Rossini” and much more!

Red Sky restaurant is located on the 55th floor of Centara Grand at CentralWorld. For more information and to make reservations, please call 02-100-6255 or email us at diningcgcw@chr.co.th. <https://www.centarahotelsresorts.com/redsky/> to see full menu
