

# Cristina Bowerman from Michelin-starred Glass Hostaria

Gastronauts Asia is pleased to announce the official launch of Maestros della Scala, a brand-new fine dining series exclusively featuring globally renowned Italian guest chefs at The Sukhothai Bangkok's newly re-opened La Scala restaurant.

For over decade La Scala has been a pioneer in welcoming world-class chefs from around the world to pop-up for extraordinary cooking engagements. Taking their past accomplishments to the next level, the first chef to appear in 2018 for this dynamic quarterly series will be famed kitchen master Cristina Bowerman from the celebrated, 1-Michelin-starred Glass Hostaria in Rome, Italy - on 9-11 March 2018.

Chef Cristina will be appearing at La Scala for three exclusive dinners on 9-11 March 2018, as well as for lunch on 10 March 2018. When asked about coming to launch Maestros della Scala she commented simply: "I am so thrilled to be returning to Bangkok again to share a true taste of Roma with Thailand's foodie community!"
