Customs Department Cooperates With Kerry to Launch Auto Matching System

Mr. Chuchai Udompote (Third from right), the Principal Advisor on Development of Customs Incentive System, Customs Department, by Laem Chabang Port Customs Bureau (LCPCB) and Office of Information and Communication Technology (ICT), cooperates with Mr. Kledchai Benjaathonsirikul (Middle), Managing Director - Greater Mekong Region, Kerry Siam Seaport Limited, to launch the Auto Matching System through National Single Window (NSW) in order to reduce procedures on container delivery at the port from 2 minutes to only 10 seconds. This is to support more than 100,000 export containers per month at Kerry Siam Seaport Sriracha, Chonburi, which is the first private port in Thailand.
