

Dusit Thani Bangkok organizes “Music Speaks Louder Than Words”

Dusit Thani Bangkok in collaboration with Korn Dabbaransi recently organized “Music Speaks Louder Than Words”, a charity musical concert to celebrate the 49th anniversary of Dusit Thani Bangkok and to express appreciation to the hotel’s valued guests who have been supportive for the past years until present. The gala dinner was held at the hotel’s Napalai Ballroom with donations from charity-minded guests less expenses to be donated to Queen Sirikit Centre for Breast Cancer Foundation (QSCBC). This concert is part of “The Timeless Legend”, a campaign to celebrate various events to be organized by the hotel to commemorate the hotel’s 49th Anniversary and create fond memories with monthly activities until the hotel’s final curtain on January 5, 2019.
