Escape to the Ultimate Private Island Sleep Out With Anantara Medjumbe Island's Star Bed Experience

Anantara Medjumbe Island Resort introduces a dream like getaway for romantics on a remote African island paradise with the signature Star Bed Experience. Guests at the resort have the opportunity to be whisked away to an uninhabited private island for sunset, dinner and overnight, for the ultimate sleepover escape.

Blending a Robinson Crusoe-style adventure with Anantara's authentic luxuries, the romantic escapade begins with a 15-minute voyage on a traditional dhow boat on the Indian Ocean which is teeming with marine life and blessed by occasional sightings of turtles, dolphins and sometimes Humpback whales in mating season.

Arriving at Quissanga Island, couples are left alone to admire a magical sunset, toasted with pre-selected refreshments. As dusk gives way to a sparkling canopy of stars, the private beach is illuminated by flame lit torches, lamps and flickering candles, setting the mood for a night of dazzling private romance. Dinner under the stars on a deserted beach offers the choice of a formal table setting or relaxed on cushions. A gourmet picnic hamper can be left for the couple to savour in a world of their own, filled with Mediterranean salads, marinated meat and seafood kebabs with homemade sauces, followed by chocolate brownies and fruit skewers. Those who prefer a stargazing island BBQ can request a personal chef (at an extra charge) to prepare a mouth-watering feast of salads and sashimi, leading into succulent flame grilled meats and seafood in exotic marinades and sauces, followed by a decadent dessert and tropical fruits, paired with any beverages their hearts desire.

Left alone in blissful solitude, couples retire to their luxurious four-poster bed dressed in the finest linens to sleep al fresco on the beach under a galaxy of stars - cocooned by a warm tropical night and the sound of waves gently lapping the shore. With no fresh water on the island there are no mosquitoes, allowing guests to reconnect with nature and each other, completely undisturbed in absolute comfort.

As the sun rises in the morning, couples may stroll around the minute deserted island and swim in crystal clear water, completely losing themselves in a utopia that is reserved exclusively for them. At a pre-arranged time, a traditional dhow boat arrives on the beach to whisk the couple back to Anantara Medjumbe to enjoy a leisurely breakfast buffet - and another day in paradise.

Promising adults-only exclusivity on a tiny private island in the remote Quirimbas Archipelago off the northern coast of Mozambique, Anantara Medjumbe Island Resort's untouched exotic beauty is matched by the absolute privacy of just 12 Beach Pool Villas.
