

“Golden Moments” at Spa Cenvaree helps your skin resist winter’s ravages

Spa Cenvaree at Centara Grand at Central World, is offering “Golden Moments”, a special winter treatment from now on. The treatment starts with a “Gold - Leaf Body Polish” to revive collagen depleted skin. The body polish stimulates cellular growth, lifts up sagging skin and prevents premature ageing of the skin. Next, experience deeper relaxation with a Luxurious Citrus & Coconut milk Bath to melt away every inch of stress and muscle tension. After that, the treatment continues to a “Gold Classic Massage” infused with Gold’s ion including collagen, squalene oil, elastin and Vitamin E to reach the deepest pores and moisturize the skin to the fullest. The 3 hour treatment provides the ultimate extravagant and reviving indulgence for your skin. Priced from Baht 3,900 Net for single and 7,000 Net for Couple
