

Healthy Food Session at Mercure Pattaya Hotel

Stay Healthy Happy Life

Ever wondered how a few changes to your eating habits could help you to a healthier and happier lifestyle?

At Mercure Pattaya Hotel this is always on our mind so that's why we're launching a unique campaign we've simply called "Stay Healthy Happy Life" specially created by our talented Executive Chef. He's devised a delectable and delightful menu using the freshest and finest ingredients on the market that not only tastes so good but is so good for you too! So when you're in Pattaya pop in and start on the road to a healthy and happier future. Plus at Mercure Pattaya one aspect of our business is a complete respect and love for the world we are all lucky enough to share so as part of our ethical approach to hotel operation we always recycle and use sustainable and environmentally-friendly products wherever possible.
