

Heartists CSR Activity - Hotel Baraquda Pattaya Mgallery by Sofitel and Mercure Pattaya Hotel

On Wednesday 27th of November, 2018 the team of Hotel Baraquda Pattaya MGallery by Sofitel and Mercure Pattaya Hotel organized their quarterly CSR activity at Baan Kru Boonchoo Foundation. The heartists were led by their General Manager, Mr. Jagan Lacsher, as they prepared a lavish lunch for the children at this noble foundation. Aside from that, we also conducted a fundraising and donation day at the hotel, where all our heartists were given the chance to donate items that were still intact but of no use to them. All the proceeds and items were then given to this foundation, as we aim to support these children. It was a great day for the whole team, as we met many children and spoke to them, and the people who take care of them and learn how we must value life and make the most of it and be happy in all our little moments.

Baan Kru Boonchoo Foundation is located on 117/1 Moo 5, Plutaluang, Sattahip, Chonburi, with Mrs. Boonchoo Moangmaithong (Kru Boonchoo) as the President. The foundation is committed to helping children with disabilities and providing them with life-transforming services that enable them to increase their independence and achieve their goals and fulfill their potential in life.
