

Hotel Baraquada MGallery by Sofitel and Mercure Pattaya giving back to the local community

Owner's representative Mr. Wong Swee Huat and Cluster General Manager Mr. Gerald Hougardy along with the management and staff of Mercure Hotel Pattaya and Hotel Baraquada Pattaya MGallery by Sofitel showed their earnest solidarity recently by giving back to the local community with a visit to the Karunyawet Home for the elderly and people with disabilities. The teams hosted lunch for the residents and donated some essential items to the home.

The donation formed part of the properties' long-term commitment to corporate social responsibility (CSR) to assist those less fortunate than others in the Pattaya area.
