

'Hua Hin Run To Give 2019' Charity Fundraising Event Returns!

Marriott International is delighted to announce the return of the successful "Run to Give", annual charity fundraising running event organized by Marriott International involving participating Marriott hotels across Asia Pacific.

It's all part of Marriott's "TakeCare" initiative that aims to encourage local communities to participate in runs for charity, and "Hua Hin Run to Give" is one of the program's key events in Thailand.

This will be the third consecutive annual Hua Hin Run to Give jointly staged by Sheraton Hua Hin and Sheraton Hua Hin Pranburi Villas together with Hua Hin Marriott Resort & Spa.

Setting off from Suan Soan Pradipat on Sunday, 22nd September 2019, Hua Hin Run to Give 2019 features two race categories, namely:

- 5 km Individual running race (open to all genders and ages)
- 10 km Individual running racing (open to all genders and ages)

The entry fee for each runner is only 450 Baht and includes one T-shirt.

The top three finishers in each category will receive a trophy while every participant is entitled to a medal, a T-shirt and refreshments.

Proceeds from the race after expenses will be donated to "Save the Children Thailand" to support the most vulnerable children through Education, Child Protection, Child Safety for Survival, and Health and Nutrition programs in Thailand and across the Mekong delta.

Online registration is available at Facebook: Run to Give Hua Hin
