

Journey through the celestial plains with Spa Cenvaree's new Starry Night Ritual

Just like the seasons, Spa Cenvaree's treatment programs are always changing. Now, why not join us on the 26th floor of Centara Grand at CentralWorld for a 150-minute 'Starry Night Spa Ritual' - a wonderful way to escape the stress of city life (down below) and journey through the celestial plains with this heavenly spa ritual.

This brand new program, which can be enjoyed across two-and-a-half hours any morning, noon or night of your choosing, incorporates the gentle warmth of a candlewax body massage as well as a shimmer body mask.

You'll first be eased in with a foot ritual, followed by Spa Cenvaree's special 'Moonlight Massage'. After the shimmer body mask, a top-to-toe body moisturizer ensures you'll leave with skin feeling replenished and refreshed - ready to take whatever Bangkok may throw at it!

This limited-time-only Starry Night Spa Ritual is available at Spa Cenvaree (26th floor of Centara Grand at CentralWorld) priced at THB 3,500 (net) per person from Now to 31 December 2018.

Please note that this promotion is not valid in conjunction with Baht Bonanza discount coupons and gift vouchers.
