

# Lalamove & honestbee executives participated as speakers in Thailand Supply Chain Summit

March 30th 2017, Bangkok - The Thailand Supply Chain Summit was recently held in Bangkok, bringing in English-speaking supply chain and logistics executives from leading manufacturers, retailers and brand owners in Thailand. The one-day conference provided business owners with latest knowledge and the most effective techniques to grow their supply chain capabilities in Thailand.

Photo shows speakers who participated in a panel discussion where they shared their insights to the most current industry challenges.

From left to right: Max Henry, Founder & Executive Director of Global Supply Chain Council (GSCC), Bounthay Khammanyong, Thailand Country Manager of honestbee, Santit Jirawongkraisorn, Regional Director - City Operations of Lalamove and Kraisar Gilitwala, Country General Manager of Quantum Solutions.
