

# **MQDC invites students and the public to compete in a short film contest ‘My Third Place at WHIZDOM 101 Lifestyle Complex’, a project that can provide a good life every day**

MQDC - Magnolia Quality Development Corporation Limited is reinforcing its position as Thailand's leading implementer of innovative technology by inviting students and the public to compete in the film contest 'My Third Place at WHIZDOM 101 Lifestyle Complex', a project that can provide a good life every day.

- MQDC, the developer of WHIZDOM 101 Lifestyle Complex, has organized a 3-minute short film competition under the topic 'My Third Place' with a prize of a study trip to Japan worth THB500,000. The winning entry will be directed and produced by professionals for publishing on various media

Bangkok - 17 April, 2018 - Magnolia Quality Development Corporation Limited (MQDC), a subsidiary of DTGO Corporation, has organized a 3-minute short film contest under the theme 'My Third Place at WHIZDOM 101 Lifestyle Complex' with movie workshops for students at Bangkok, offering an opportunity to study visit Fuji TV and TV Asahi in Japan. The winning entry will be directed and produced by professionals for publishing on various media.

Mr. Suttha Ruengchaipaiboon, President of MQDC, a subsidiary of DTGO Corporation, said, "MQDC wants to support the short film contest 'My Third Place at WHIZDOM 101 Lifestyle Complex', which gives a good living experience every day, to bring knowledge out of the classroom, to create actual works, and concretely help develop future potential.

We have teamed up with well-known film director Mr. Surakrich Sattatam and with Mr. Patara Vijjupanont, Founder & Strategic Communications Strategy Manager, Pixel Serum, for a technical workshop on short films to be given at leading academic institutions throughout Bangkok such as Bangkok University at Rangsit Campus, University of the Thai Chamber of Commerce, Chulalongkorn University, Thammasat University at Rangsit Campus, and Assumption University (ABAC).

The competition opened for storyboard submissions in late March until 31 May 2018. From an initial selection of 20 teams, 5 groups and their leaders will join a workshop with the board to gather ideas for implementing their storyboards. With a budget of THB30,000 each, all 5 concepts will be filmed over two weeks.

The awards are divided into 2 main categories:

1) Winner: The winning team selected by the board will study visit Fuji TV and TV Asahi in Japan and their entry will be produced by a professional team to be published online and on BTS media.

2) Popular Vote - Vote LIKE & SHARE:

The team that receives the most votes from the online broadcasts will go to study visit Fuji TV and TV Asahi in Japan.

I believe that this activity will be an inspiration for students, giving them the opportunity to apply knowledge from the classroom through the contest. This is a good platform for young people to get real experience and learn from film production experts to produce their own works and publish them to the public. I would like to invite all students and interested parties. More information is at: [www.whizdom101bangkok.com](http://www.whizdom101bangkok.com); #mythirdplace, #whizdom101" said Mr. Ruengchaipaiboon.

Mr. Surakrich Sattatam "Keng", well-known film director said "Do not close your mind and others. All ideas are always useful. Please make the best. Everyone has the opportunity."

Mr. Patara Vijjupanont "Pete", Founder & Strategic Communications Strategy Manager said to students "If it works well, stop thinking. Do not repeat until the work is messy. Please be intention and make your dream come true. This is stage is for everyone."

More information about the 'My Third Place' Short Film Contest at WHIZDOM 101 Lifestyle Complex

Magnolia Quality Development Corporation Limited (MQDC), the developer of the WHIZDOM 101 project, has organized a 3-minute short film competition under the theme 'My Third Place' offering an opportunity to travel to Japan worth THB500,000. The work of the winning team will be directed and produced by professionals for publishing online and on BTS media.

MQDC wants to take knowledge out of the classroom, providing real work experience that will concretely help to develop future potential.

Target audience: University students nationwide and interested members of the public.

Project period: 26 March 2018 - 30 September 2018

Entries accepted from 26 March 2018 to 31 May 2018.

Project activities include:

- Public Relations: Students are invited to participate in the contest. These activities will be promoted to universities nationwide through printed media such as posters and leaflets, as well as academic seminars on campus. An expert on short films will give lectures at universities around Bangkok.
- Students work in teams with up to 4 members
- Each team submits a storyboard for a 3-minute short film based on the contest's topic
- Each team can submit only 1 work
- Entries must not be submitted to other competitions
- Students can submit their entries at participating faculties and universities or at [www.whizdom101bangkok.com](http://www.whizdom101bangkok.com), identifying their submissions as for the short film competition by WHIZDOM 101 under the topic 'My Third Place'.

Selection process

- First round selection: The board will select 20 entries from all submissions as finalists

- All 20 teams will present their work to the board, which will pick 5 teams
- All 5 teams will participate in a workshop with the board and gain advice for completing their storyboards for short films. With a budget of THB30,000 each over two weeks, all 5 works will be filmed and broadcast on the internet. The winning team chosen by the board and the team that wins the popular vote online will both travel to Japan.
- The 5 winners of the short film contest 'My Third Place' will be announced.
- The work of the winning team will be filmed again by a professional team for publishing online and on media on the BTS.

#### Contest prizes

##### Award winners:

The winning team will study visit Fuji TV and TV Asahi in Japan for 5 days and 3 nights in September.

Magnolia Quality Development Corporation Limited (MQDC)

Magnolia Quality Development Corporation (MQDC) is a business unit of DTGO Corporation Limited (DTGO) that develops, invests in, and manages villa, condominium, and mixed-use projects with a corporate commitment 'for all well-being'.

MQDC develops residential and mixed-use projects under the luxury Magnolias brand and the youthful, urban Whizdom brand. The company has also set up The Aspen Tree to provide eldercare residences and full-spectrum services, enabling 'aging in place' and the recently mixed use quality project 'The Forestias'.

The MQDC portfolio includes global and national landmarks such as ICONSIAM and groundbreaking applications of energy-saving technology such as WHIZDOM 101 'smart city'. The company provides an industry-leading 30-year warranty on its residential units in line with its exceptional construction standards.

Applying its philosophy of 'sustainnovation' MQDC aims to lead its sector in sustainability. The company supports the Bangkok-based Research & Innovation for Sustainability Center (RISC), Asia's first research base for sustainable building with a focus on well-being.

MQDC also pursues innovation in energy-efficient technologies such as district cooling and onsite power through the EEC-DT joint venture between EEC Engineering Network and DTGO. MQDC is determined to operate with concern for all life on Earth, advancing this agenda through sustainable development for the wider benefit of society.
