

MSC cares for Medical professional by donate Face Shield to shortage of hospitals

Metro Systems Corporation Public Company Limited by Digital Printing Group cares for Thai medical professional from Covid-19 virus outbreak. Volunteer staff joined to produce “Face Shields” for shortage protection equipment in 6 hospitals: La-ngu Hospital at Satun Province, Maelan Hospital at Pattani Province, Kabang Hospital and Raman Hospital at Yala Province, Rueso Hospital at Narathiwat Province and Priest Hospital.

Mr. Thongchai Lumveerakul, President of Digital Printing Group was the representative donate the Face Shield under the project “Tender Love and Care from the Metro people”. We delighted to be the part of the prevention of the Covid-19 virus outbreak and helped alleviate the lack of protective equipment for medical professional on March 12, 2020 at Metro Systems Corporation Headquarter.
