

New Centara Signature Takeaway Menus to enjoy while staying at home

Centara Grand at CentralWorld now offers a delicious range of popular dishes for takeaway, including home-style Thai & Western cuisines, Chinese, and Spanish favourites. Each takeaway box is priced at THB 188 net, which includes 1 free bottled water. The minimum for each order is 2 boxes.

There are plenty of choices to indulge your appetite: Pad Woosen Box, Beef Lasagna Box, Salmon Lunch Box, Phad Krapao Box, and more. We also offer free delivery within a 1-kilometre radius; add THB 20 per additional kilometre.

With every food order, we provide a Centara Health Check reference card for the chef who prepared your meal, to confirm the chef is in perfect health and has not travelled outside of Thailand since 31 December 2019.

We have set up a dedicated team of individuals who work exclusively on guest food delivery. All employees have their body temperatures checked before beginning they start work each day. We also keep a record of their travel history to ensure they have not visited any high-risk countries. They are all thoroughly trained in relevant COVID-19 safety practices.

All of our kitchen facilities, food preparation areas, kitchen utensils, and cooking pans are thoroughly cleaned and sanitized frequently throughout the day. Alternatively, you may have your food delivered via Line Man

Operating Time: 07.00 a.m. to 19.30 p.m. every day.
