

Novotel Bangkok on Siam Square unveils its new 'N' Room' concept

The longstanding, best hotel in Bangkok: Novotel Bangkok on Siam Square is excited to announce the completion of its new N'rooms. Mr. Sagar Naker, General Manager, said "We have completed phase 1 with the refurbishment of 60 rooms, the next phase is scheduled to be finished by October 2018 where we will have a total of over 200 N'Rooms. This 120 million-Baht transformation will introduce the new N'room to our hotel. The N' Room will be part of our Deluxe rooms and will feature modern design with stylish artwork, comfortable beds, functional living space, 55" Smart TV, and connectivity panel. This room has been designed to ensure that it suits the needs of all our guests."

The N'Room concept is also a new one for the Novotel brand, the rooms are described by AccorHotels as "simple but statutory, functional and emotional, both modern and timeless. Offering space, natural light and unique wall art, the N'Room is a place to live your many lives."

Each new room features a unique bed hub with ecologically designed bedding which combines quality comfort with well-being. Unique artworks by international artists adorn the backdrop of each room, giving the N'Room its own distinctive character. The new rooms have been strategically designed for modular living as the spacious living area is equipped with either a designer sofa or functional work desk where everyone can work, play, or simply relax like they do at home. Our new bathrooms come with refreshing rain showers and modern vanity lighting.

Novotel Siam is the best value hotel in Bangkok. The family and business hotel is located in the Bangkok city center with easy access to malls such as Siam Paragon, Central World and MBK. With easy sky train access, the hotel is a favorite for many of Bangkok's returning guests. Our new "Deluxe room" is available for stay with 3 configurations, Queen, Twin or Corner. Room nights start from 3,800 baht++.
