

Omron shows its latest innovation

Come and experience Omron's total automation capabilities at the largest booth in Manufacturing Expo 2015. Have a rally with our award winning ping-pong robot¹ (exhibiting for the first time in Thailand) and find out more about how our future technology and solutions in the industrial, social and life zones² will help to develop Thailand's businesses and society.

OMRON booth is located in Hall 101, no. G31 at Bangkok International Trade and Exhibition Centre (BITEC), Bangna. For more information please visit www.omron.co.th.

OMRON is a global leader in the field of automation that provides solutions to customers in a variety of business segments including industrial automation, electronic and automotive components, social systems, and healthcare.
