The program continues to be highly successful in furthering the sustainable growth of the Thai marine industry in the years to come. Fleets this year feature the full-sized Keelboat & Multihull classes (4,5,6,8 and 9 Dec), and International Dinghy racing (4,5,6 and 8 Dec) sponsored by the Government Lottery Office, divided into the following events: Optimist Boy & Girl, Laser 4.7, Laser Radial, Laser Standard and Topper.

Kevin Whitcraft, President of the Phuket King's Cup Regatta Organizing Committee, says, "We would like to thank Kata Group and the Government Lottery Office for their kind and enduring sponsorship of the Phuket King's Cup Regatta, now in its 31st year. Following the huge occasion of last year's 30th Anniversary landmark race and event series, this year's regatta already has over 75 keelboats confirmed to participate, so the regatta endures as a big attraction for sailing teams from around the world".

"For 2017, we also have a special focus this year on growing the dinghy components of our overall regatta, as we in the sailing community in Thailand can feel the positive effect this is having over years and years as the sport of sailing continues to grow in popularity here", says Kevin. "We will host our Race Management and opening and closing events at Beyond Resort Kata this year, reflecting the more modern, agile and accessible changing face of this legendary race.", he concluded.
