

Pok & Margie celebrate Valentine's Day by moving into their new home at Magnolias Ratchadamri Boulevard

Bangkok, 14th February 2018 - Celebrity couple 'Pok' Passakorn Chirathivat and 'Margie' Rasri Balenciaga Chirathivat are moving into their new home at Magnolias Ratchadamri Boulevard (MRB) on Valentine's Day this year. MRB is a super-luxury mixed-use residence on Ratchadamri Road with 316 high-end units developed by MQDC (Magnolia Quality Development Corporation Limited). MRB also has office units and hosts the 5-star world-class Waldorf Astoria Bangkok hotel, meeting all metropolitan lifestyle needs as the city's most sought-after address for uncompromising luxury.

Mr. Visit Malaisirirat, CEO of MQDC, and Mrs. Sasinan Allmand, Executive Vice President, Corporate Marketing & Communications of MQDC, warmly welcomed the couple to their condominium.

'Pok' Passakorn Chirathivat said, "I love the project's location surrounded by department stores, shopping malls, hotels, lifestyle hubs, and business headquarters. I've lived in this area for a long time and am used to its convenient transport. The MRB is near 2 skytrain stations (Chidlom and Ratchadamri) and it's only 5 minutes' walk from Central Chidlom and Centara Grand Hotel at CentralWorld. That's why we chose MRB to be our new home."

'Margie' Rasri Balenciaga Chiravthivat said, "Magnolias Ratchadamri Boulevard is one of the most beautiful projects, with outstanding architectural design. Its carefully sculpted three-dimensional architectural 'magnolia petals' make the building a highlight of the Bangkok skyline. The interior décor is well designed, combining luxury with comfort. At a single glance, I could see that the project team has taken care over every detail so residents can be assured of a high quality of life."
