

“Pullman Artnight” The Art of Phuket at Pullman Phuket Panwa Beach Resort | 13 Dec 2019

26th November 2019 - 31st March 2020 at the hotel lobby.

Artist Playground by Pullman, a true and dedicated art corner installed in different parts of Pullman hotels, enables local artists and designers to exhibit and showcase their works to guests, visitors and locals alike. Through interactive elements such as live performances and workshops, hotel guests get the opportunity to connect with the art experience in an interesting and meaningful way. This creative initiative accurately and consistently reflects the world of the Pullman brand and its “Our World is your Playground” philosophy.

During November 2019 - March 2020, over 40 paintings from 9 famous local and international artists will be displayed at the hotel’s lobby and 5% of the revenue from selling each art piece will be donated to Phuket local communities.

On the night of December 13th, “Pullman Artnight”, a pioneering and stylish event, will be organized with lot of activities, including a live masterpiece of artwork during the evening, live entertainments, and creative cocktails by an expert mixologist.
