

Radisson Suites Bangkok Sukhumvit Strengthens Corporate Social Responsibility Commitments

On 28th September 2017, representatives of Radisson Suites Bangkok Sukhumvit management team visited the Klong Toei community kindergarten school as part of their Responsible Business program. With funds raised through staff donations and 'bring-and-buy' sales, hotel staff had successfully reached their goal of raising money for a new water cooler tank, furniture, toys and food donations for the school and its 40 students. General Manager, Simon Ramsay, "we are proud of our staff for their commitment and dedication to meeting their fundraising target and enabling us to make these donations to the school". The school operates on a voluntary basis and receives its funding from the community and its supporters. Radisson Suites Bangkok Sukhumvit has been helping them for the past 3 years with various donations and commitments from its team members.
