

Red Sky's "Surf & Turf Tower" Brings Rooftop Dining to New Heights!

Featuring rib-eye Wagyu beef, Australian lamb rack, grilled Maine lobster as well generous helpings of Andaman shrimp, Alaskan crab, and Hokkaido scallops, our new "Surf & Turf Tower" is an extravagant sharing dish that matches our equally extravagant rooftop setting here at Red Sky.

Served up with a range of fresh seasonal veggies, mash potato and selected sauces and dips, our chefs have designed this indulgent tower using only premium produce that has been sourced from all over the world.

Priced at THB 5,955++ per couple, the "Love to Share: Surf & Turf tower" at Red Sky is an ideal option for couples, friends and family.

For impressive views, a cooling breeze and an informal yet stylish rooftop venue, there really is no better place than Red Sky restaurant, located 55 floors above the city at Centara Grand Central World.
