

Regent's International School Bangkok will be reopening from 1 to 14 July.

Regent's International School Bangkok will be reopening for an "Intensive Extra Tutorial Course" from 1 to 14 July for our own students. Also, there will be extra courses at the Yamaha Music School at Regent's, a Football Intensive Camp by Premier League Football Academy and a Swimming Summer Camp by Bangkok Aquatics.

The school has put in a number of measures to prevent infection. These include:

- Screening points and temperature checks by Thermo Scan
- Hygiene prevention methods
- Masks or face-shields to be worn at all time in public areas and in lessons
- New foot-operated sinks
- Frequent cleaning of surfaces
- Social distancing in classes and canteen
- Social distancing markers placed in key areas
- Any children whose temperature is found to be over 37.5 degrees or had a cough, school staff will inform parents to bring them back home immediately.
