

Roadshow Promotes the “CONWOOD i-Service Villa Visit” A Free Consulting & Installation Service Direct To Homeowners

Having successfully launched the new service, “CONWOOD i-Service”, at the Architects ‘17 exhibition, the CONWOOD i-Service team has been hard at work actively marketing the consulting product installation service directly to the developers and customers. The project is expected to gain steam with a roadshow to meet homeowners in the Bangkok area, with advice on how to use CONWOOD’S fiber cement products, along with Zinstallation services. The CONWOOD i-Service team will offer special promotions for participants with a free site assessment, valued at 500 baht. The pilot project of the CONWOOD i-Service Villa Visit will be held at The Sweet Garden Ville 2, Klong-Sam-WA, during 20 - 21 May 2017, from 9:00 am to 5:00 pm.
