

“Seven Days Hunger Buster” Promotion at Tavern By The Sea Restaurant & Pub, Amari Pattaya

From June to August 2016, Tavern By The Sea Restaurant & Pub at Amari Pattaya presents its “Seven Days Hunger Buster” Promotion, in conjunction with a special drink matching each day. The seven promotions that run for seven days include the venue having 15 TV sets that feature live sporting events, which you can watch as you spend time with your friends or family. Cheer as you enjoy the games in front of the biggest screen in town.

Mondays, you will love the all-day Mex-Tex dining, and buy-one, get-one-free promo. Tuesdays are Steak Nights. Get 20% off selected steaks and skewers from 18:00 onwards. Wednesdays, savour traditional Thai cuisine during Thai Night. Choose three Thai dishes served with jasmine rice and try out this promotion from 18:00 onwards. Thursdays are Curry Nights. Select two Indian or Thai curries from four choices of curries, which are served with vegetable biryani rice, garlic naan and Indian curry condiments, available from 18:00 onwards. Fridays, enjoy a Churrasco buffet accompanied by the same dishes except for the changing food selections on the hot and cold salad buffet, from 18:30 to 22:00. Saturdays, beef up with the classic Brew & Burger, available all day. Sundays, we offer a Sunday roast with a meat of choice for lunch. Come with the whole family for the classic Sunday Roast, available from 12:00 to 16:00.

These are seven sensations ready for you to try at Tavern By The Sea Restaurant & Pub.
