

# Sinoze Announces Acquisition of Unextplus

Bangkok, Thailand— 1 March 2016. Today, Sinoze Co., Ltd. ([www.sinoze.com](http://www.sinoze.com)) announced the completion of the acquisition of Unext Digitals Plus Co., Ltd. a promising Game Development company in Thailand.

Ratapatr Chotimongkol, CEO at Sinoze. commented on this acquisition: “This acquisition is our first step towards the establishment of the Thai Developers Foundation. This will be a professional incubation center which provides investment, consultancy, technology, strategic planning, office, equipment and infrastructure. By sharing our resources with promising startups and studios, we will help more companies to enter and expand to the international market.”

Thitipong Krungkaew, Group CTO at Sinoze Co., Ltd. commented : “We look forward to more of such synergies with developers. There are many talented developers in Thailand and we would love to create more world class products and services with them”.

Unext Digitals Plus Co., Ltd., a company founded in 2011 from Thailand is the developer of the popular Massively Multiplayer Game Blast Breaker. It has successfully launched this game in Thailand, Indonesia and Spain.

“We felt very satisfied for this opportunity for us to be able to work with Sinoze and form a partnership. We have common mindsets and goals that we wished to make happen. With great abilities and various skill sets from the two company, we know that we can make great things happen and we look forward to develop and launch a variety of games with Sinoze.” said Jumpol Termsinsawat, CEO at Unext Digitals Plus Co., Ltd.
