

SPU : Kaplan Singapore and Northumbria University from UK Visit Sripatum University

On 19 August 2015, Senior Vice President Rhys Johnson and the delegation of Kaplan Singapore along with a representative of Northumbria University from UK - Ms. Jacqueline Holland, paid a visit to Sripatum University to meet with Assistant to the President for International Affairs - Ajarn Chinda Tejavaniya Chang, Dean of School of Liberal Arts - Dr. Monticha Khruasuwan, and Faculty members of the School of Accountancy and International College. This was the second visit of the delegation of Kaplan Singapore to Sripatum University after the first visit led by President Leon Choong in April. After the campus tour, the meeting was arranged at room 12A03 for further discussion on collaborative activities. The meeting went well with fruitful and constructive exchanges, especially in the areas of English Camp for students, and dual-degree programs which could possibly be started with the subject areas of International Logistics & Supply Chain Management and Accounting.
