

The New Volvo XC40, First Ever Compact SUV Designed to Break The Norms

Volvo Car (Thailand) has launched the Volvo XC40, Volvo's first ever compact SUV 'Designed to Break the Norms' into the Thai market. The new Volvo XC40 is a compact SUV that's big on innovation with charismatic design, ingenious storage and smart technology. It is an entirely new type of Volvo, available in T5 AWD and T4 petrol engine configurations. The event was welcome by Mr. Chris Wailes, Managing Director and Mr. Jean-David Harel, Marketing Director, Volvo Car (Thailand) Company Limited at GMM Live House, Central World Plaza recently.
