

Timely, Complete, Correct Updates on COVID-19

Timely, Complete, Correct Updates on COVID-19 and Other Important Information with LINE TODAY on <https://lin.ee/uHZac9l/vjky>

The novel coronavirus (COVID-19) outbreak in many regions around the world has brought with it a large amount of misleading and confusing news reports and information on the social media and Internet, negatively affecting the readers and the society. LINE TODAY realizes that it is necessary to establish a hub or a center to report correct, complete, and timely stories and latest updates on the COVID-19 outbreak from reliable sources. LINE TODAY'S COVID-19 content aimed at best informing people and make them understand the situation can be found on <https://lin.ee/uHZac9l/vjky>.

LINE TODAY'S COVID-19 special edition features the latest situations around the world, information about treatments, basic self-assessment of COVID-19 symptoms, self-care during the outbreak, travel recommendations for travelers on leisure or business trips, countries to be avoided, and countries where travel is not restricted. LINE TODAY also gives advice about what to do with a plane ticket if travel is cancelled during the COVID-19 outbreak and other useful information.
