

# Treats Gourmet Does It Your Way with An American Pastry Promotion at Chatrium Hotel Riverside Bangkok

Soothe your sweet soul with the American Pastry Promotion at Treats Gourmet on the Lobby Level. You may have heard of Boston Cream Pie and Red Velvet Cake, but there is more to America than that. Key Lime Pie is a tribute to the wonderful tartness of Key Limes, which grow in the Florida Keys, the islands stretching south from the mainland toward Cuba and the Caribbean Sea. Then there are two classic American variations on cheesecake - Pumpkin Cheesecake and Brownie Cheesecake.
