

Work from Hotel at Centara Grand & Bangkok Convention Centre at CentralWorld

Given today's circumstances, many of us have found ourselves working at home. Although attractive at first, we soon realized that our home environment substantially reduces our productivity. For this reason, Centara Grand & Bangkok Convention Centre has created a very special "Work from Hotel at Centara" promotion just for you.

Our Work from Home package was created to provide you with a location with the services needed to enhance your work productivity, including:

- Newly renovated, spacious, and luxurious room
- Hotel centrally located in downtown Bangkok
- Environment free from noise and distractions
- Complimentary in-room coffee and tea
- Complimentary 5G wireless Internet access
- Professional daily housekeeping service

For this Work from Hotel at Centara promotion, our Superior Hollywood room is specially priced at THB 11,200 Net for 7 Nights (Breakfast not included) and THB 45,000 Net for 30 Nights (Breakfast not included) with the following terms and conditions:

- Must book before Tuesday, 31 August 2021
- Must stay before Monday, 20 December 2021

For additional charges, you can take advantage of other specialty services to enhance your stay, including:

- In-room dining from our menu
- Pressing and dry cleaning service
- Town car rentals

At our hotels, Centara Complete Care was developed to ensure the Protection, Safety, and Well-Being of our guests and employees. The extensive program focuses on total care and was devised in partnership with ECOLAB, the global leader in hygiene technologies, and SGS, the world's leading inspection and verification specialists. You will notice the changes from the moment you check in and throughout your stay. These changes focused on: Social Distancing, Enhanced Hygiene Practices, and Increased Sanitation.

Centara Complete Care was designed to follow the stringent guidelines set by the World Health Organization (WHO), the World Travel and Tourism Council (WTTC), and various local health authorities.

Additionally, we received the "Amazing Thailand Safety and Health Administration: SHA" certification for exceeding hygiene, health, and safety standards issued by the Tourism Authority of Thailand (TAT).
